"Trickle Down Theory" and "Tax Cuts for the Rich" Quotes ...

I helped create the conservative gospel of slashing taxes. But virtually everything Republicans say about taxes today is hogwash. But the historical experience tells us this theory is nonsense. The Tax Reform Act of 1986 reduced the top personal income tax rate to just 28% from 50%, and the corporate tax rate to 34% from 46%. Yet there was no increase in the rate of economic growth in subsequent years and by 1990 the economy was in a deep recession.
