Exploded drawing of the popular Villiers ... - British Seagull

Villiers Engine . I have an early 1950's JP Simplex powered by a Villiers Midget, 98cc 2-stroke engine with a "Junior" carburetor. The engine drives both the cutting cylinder and the rear roller. I've got it running very nicely, producing very little smoke from the 32:1 petoil mix, with more than enough power to pull it and me around the garden

Villiers Carburettor Manual

If the carburettor fitted to your machine is the Villiers model with two control levers on the handlebar, it cannot be too definitely emphasized that the top lever is not an air control as on other instruments, and must not be used as such. It is solely a lever for independently altering the size of the jet to give an extra rich mixture when
