world of commercial military suppliers. Ever since British army housing was sold off to the highest bidder in the mid-1990s, military and national security planners and their political masters in the US and UK have been seeking opportunities to plug the gap between what they would like to do - and frequently claim they do - and what is actually possible.

War on Terror, Inc. : corporate profiteering from the ...

The War on Terror, spanning decades, is a multitrillion-dollar war. According to the Costs of War Project at Brown University's Watson Institute, the War on Terror will have cost \$5.6 trillion for operations between 2001-2018 plus anticipated future costs of veterans' care.
