This fully revised and updated, illustrated text is essential reading for anyone from trip leaders, guides, and search and rescue groups to EMTs, paramedics, and

Wilderness Medicine: Beyond First Aid

I've read several other books about first aid and medical emergencies in wilderness/survival situations, but this one is the best I've read. Dr. Forgey covers almost every imaginable injury and illness the typical outdoorsman would face, and gives detailed instructions on pre-trip vaccinations, treatment, and when to just evacuate to a hospital.

Wilderness Medicine on Apple Books

WMO's 8 BEST Wilderness Medicine books. 1. Going Higher, 5th Edition by Houston-- His last and best book - the gentleman who "discovered" altitude medicine answers all in this well written masterpiece. 2. Wilderness Medicine, Beyond First Aid, 6th Ed (2012) By William W. Forgey, M.D.

Wilderness Medicine Beyond First Aid

I first discovered William W. Forgey's book Wilderness Medicine : Beyond First Aid at my local library in the nineties. I loved it so much, I bought one. This new edition features crucial updates including an updated list of items that go into a pack and website links to keep you up to date in future.
