**Wings of the Walker** by Coralee June—**OverDrive** (Rakuten)—

Author Coralee June has always been passionate about storytelling and impressed by the influence it has on people and the decisions they make in life. She loves engaging with the projects she works on, diving headfirst into developing real, raw, and relatable characters that are equally flawed and beautiful.

**Amazon.com**—**Wings of the Walker (The Walker Series Book 1)**—

**Wings of the Walker** is about a little lady named Ash. It combines a dystopian world with Reverse Harem. These happen to be a few of my favorite things (fist bump if you catch that reference). Ash is a Walker-- Walkers being the low class in this world -borderline servants in this interesting world Coralee June has created.

**Wings of the Walker** by Coralee June—**The Book Disciple**

I had already read the ebook version of Wings of the Walker, the story is fantastic and has you hooked from the beginning. I really enjoy the way this is written and Ash and her story really draw you into the book. This was my first ever audio book, the narrator does a really good job and reads at a nice pace.

Wing walking is the act of moving along the wings of a biplane during flight, sometimes transferring between planes. It originated as a daredevil stunt in the aerial barnstorming shows of the 1920s, and became the subject of several Hollywood movies. An early exponent was Ormer Locklear, who was killed performing a dive on film. Charles Lindbergh began his aviation career as a wing walker.

**Wings of the Walker (The Walker, #1)** by Coralee June

**Wings of the Walker** is a perfect combination of dystopian and rh (reverse harem). Both of which happen to be some of my favorite genres to read, so it was an easy one-click for me. In fact, I heard so much chatter online about how wonderful this book was that I one-clicked it based on that alone.

**Wings of the Walker (Audiobook)** by Coralee June | **Audible.com**

Josiah Stonewell dug his hands into the filthiest parts of my soul and molded a perfect little Walker. I don't know the exact moment I fell in love with him, but I do know that if anyone found out about our lingering stares, it would end his political car

**Wings of the Walker (The Walker Series)-Coralee June**—

**Wings of the Walker** is a very interesting, and I had no problems reading it straight through. It never failed to keep my attention. It starts with out protagonist, Ashleigh, and her life as a walker which is basically an indentured servant bordering on a slave. Ash is a realistic character and makes logical decisions.

**Wing walking on planes was not for the faint of heart**

Josiah Stonewell dug his hands into the filthiest parts of my soul and molded a perfect little Walker. I don't know the exact moment I fell in love with him, but I do know that if anyone found out about our lingering stares, it would end his polit...

**Amazon.com**—**Customer reviews**—**Wings of the Walker (The**—

**Wings of the Walker** is a dystopian reverse harem that I didn't realize was missing from my life! Meet Ash and her boys as her life changes forever!

**Tantor Media**—**Wings of the Walker**

The term Walker is supposedly applied to those with the influenza x virus, but instead is used for everyone that isn't of the upper class. It is very poorly explained and used in a contradictory way a lot of the time.
