Work-Based Learning by Joseph A. Raelin · OverDrive ...

"Work-based learning (WBL) is an educational strategy that provides students with real-life work experiences where they can apply academic and technical skills and develop their employability.". It is a series of educational courses which integrate the school or university curriculum with the workplace to create a different learning paradigm.

Work-Based Learning : Bridging Knowledge and Action in the ...

Work-based learning (WBL) gives students exposure to the world of work through a set of sequenced and coordinated activities. It addresses the shared goal of educators and employers in preparing students with the knowledge and skills necessary for productive careers.
